

# The Langford Inn & Restaurant

THE award-winning Langford Inn is a friendly and traditional public house in which to dine and drink.

Located in Lower Langford, the pub was honoured with two prestigious awards in 2007. Owners Phillip and Claire Howells received the gold award for Hospitality, Service and Quality from the Bristol Social Group and the Best Country Pub award.

Just 20 minutes from Bristol, the Langford Inn is a warm and welcoming retreat where you can enjoy traditional, home cooked food made using the finest local produce which is delivered daily.

The extensive and varied seasonal menu includes hearty English food such as steaks, grills, beef and ale pie, steak and kidney pudding and delicious poultry choices.

Fresh fish is also delivered daily to the pub. The fish menu is extensive and includes varied dishes of oysters, crab, sea bass and tuna.

Customers can choose to eat in the rustic and homely pub or the heated alfresco dining area, which gives customers the opportunity to enjoy outside dining all year round in the company of friends and family. Children will find a healthy menu just for them and vegetarians can also choose from a number of specialities.

For special celebrations a function room catering for up to 40 people is available. You can choose to have a sit down meal or finger buffet. The room opens into a grassed beer garden - perfect for the summer months.
